

DECLARATION OF CONFORMITY

PRODUCT TYPE: SSS75II Industrial Insulated and/or SSS95ELEC

In accordance with United Kingdom Government guidance the following documentation of compliance must be supplied and is a requirement of Supply of Machinery (Safety) Regulations 2008.

MANUFACTURER:	SSS INDUSTRIAL DOORS LIMITED
MANUFACTURER ADDRESS:	SSS Industrial Doors Limited Red Earth Farm, Plantation Road, Bolton, BL7 0DD
PRODUCT IDENTIFICATION:	SSS75II Industrial Insulated and/or SSS95ELEC
PRODUCT DESCRIPTION:	Roller shutter covered by EN 13241
INTENDED USE:	For giving safe access for goods and vehicles accompanied or driven by persons in industrial, commercial, or residential premises.

This declaration is issued under the sole responsibility of the manufacturer, SSS Industrial Doors Ltd.

The object of the declaration described above is in conformity with the relevant UK statutory Instruments (and their amendments). The company above declares under its own authority that the system above is in full compliance with:

- 2006/42/EC Machinery Directive (i.e. Supply of Machinery (Safety) Regulations 2008.)

The company additionally declares under its own authority that the system is also in full compliance with the following regulations:

- The Electromagnetic Compatibility Regulations 2016
- The Radio Equipment Directive Regulations 2017
- The Construction Product (Amendment etc) (EU Exit) Regulations 2020

References to the relevant standards used, or references to the technical specifications in relation to which conformity is declared. The technical documentation for the machinery is available from the Factory Production Control File (in accordance with ISO 9001). If you require information from the technical documentation, please contact the manufacturer directly.

Date of Declaration: 28 August 2025
